

**Dear Parents / Guardians,**

We are happy to announce another year of the L.d.D Holiday Course. The course has been very successful in the past and we are hoping that you will join in on this great event.

The holiday course is a full week of activities that are designed to help train for exams, improve fitness, broaden and improve skills, encourage interaction between students, improve performance and create more open minded, confident and diverse dancers.

We have broken the week into half days which generally spread from 8:30-1:00 and 1:00-6:00. However, these times are mere guidelines; please make sure to check your timetable for the exact ending times of your classes. An additional Saturday has been scheduled in to the course to allow for RAD Ballet Mock Exams which is a great way to prepare for the upcoming exams.

There are a number of different discount options depending on the classes and events that you wish to attend, as well as a full course discount for registering for the entire course.

Please note that this course is also open to the public, so spaces will fill fast. However this does mean that students are welcome and encouraged to invite friends and family who would like to try out some dancing at L.d.D.

Aside from dancing, the events offered over the course are:

- Movie Night at L.d.D studio, with movie snacks included – Tuesday 13<sup>th</sup> July.
- Trip to the Cinemas at the Albany Mall (specific movie to be confirmed) – Wednesday 14<sup>th</sup> July.
- Disco at L.d.D studio – Wednesday 14<sup>th</sup> July.
- Treasure Island Show at TAPAC – Thursday 15<sup>th</sup> July .
- End of week Show and Prize Giving – Juniors only.

Please note that due to the feedback we have had from previous years, we have aimed these events more at the juniors, however seniors are welcome to join in on any event.

We are very excited for this year's holiday course and we hope that you will come along and share it with us.

Kind Regards

Alley Williams
